Work Experience

ASSOCIATE SUPPORT ENGINEER INTERN | APP ANNIE | 8/14/17-9/19/17

- App Annie is the global leader in acquiring, providing, and analyzing mobile application metrics.
- Provided 1300 customers support by using client information to give them access to App Annie's intelligence suite.
- Participated in face-to-face, and international virtual meetings to provide a status update to my team members.
- Learned to use Salesforce, Zendesk, SQL, and APIs.

Education

SEPTEMBER 2017-PRESENT | UNIVERSITY OF CALIFORNIA LOS ANGELES | GPA: 3.82

- Major: Computer Science and Engineering.
- Relevant Courses: CS32 (Object-oriented development, data structures, algorithms, trees, searching, sorting) – A.

AUGUST 2013-JUNE 2017 | LAS LOMAS HIGH SCHOOL | GPA: 4.50 | DIPLOMA

- Relevant Courses: AP Computer Science (Java) – 5 on AP test, Public Speaking – A.

ACALANES GIFTED AND TALENTED EDUCATION | JANUARY 2016-MARCH 2016

- Selected for an extracurricular education program run by my school district for the "gifted and talented".
- Focused my project on the relationship of the Fibonacci Sequence and its application to natural phenomena.

SUMMER EXTRACURRICULAR EDUCATION

- **June 2016:** ID Tech Camp – Week-long workshop learning how to wire and program Arduino units.
- **June 2015:** DVC Engineering Camp – Week-long camp being introduced to all fields of engineering.
